MRS. PAGET IS NO BETTER

New York Society Leader, Hurt in Elevator Accident, Fails to Mend.

PATIENT STRAPPED TO BOARD

Another Operation not Probable, but She Will Have to Remain on Her Back Till Christmas.

New York, Oct. 14.—Another consultation of surgeons has been held held over Mrs. Paget, the society leader, who was injured in an elevator accident, says a Herald dispatch from London. After lying strapped to a board two months and a half, it has been found that the upper part of her fractured thigh has made no progress toward knitting.

It is now believed to be a question of a more serious operation, or, at any rate, waiting for a considerable time longer for nature to do the healing. At any rate the sufferer will be still lying on her back at Christmas time.

FINDING GENERALS.

All Soldiers Are Not Good Officers.

Perhaps the two most necessary qualities for an enlisted man to possess are endurance and intelligence; for an officer, intelligence and endurance. During the recent maneuvers at Camp Atascadero many of the men gave out on the march—many of them from natural lack of stamina. They never could make good soldiers. And there were great differences in the ability shown by different officers to grasp promptly and handle military problems. This suggests a field of usefulness of these maneuvers that has not yet been fully developed; that is, their use as an aid in the selection of officers for command of volunteer organizations in time of war. Such selection by the test of war is very expensive. Who can compute the blood and treasure it cost to find Grant, Sherman or Sheridan? How many lives did it take in the futile charge against that impregnable stone wall at Fredericksburg to show that General Burnside was not the man the occasion required?—Major Cassius E. Gillette in Sunset Magazine for October.

PRESIDENT'S UNCLE SICK.

Was Minister to The Netherlands Under Cleveland.

New York, Oct. 14.—Robert B. Roosevelt, uncle of the president, is dangerously ill in his country home, near Sayville, L. I. Mr. Roosevelt, though 80 years old, is energetic and keenly devoted to outdoor sports, and his illness is attributed to a severe cold contracted during the recent automobile race.

Mr. Roosevelt was minister to The Netherlands during President Cleveland's first administration.

CHRONIC SORES

Wheeling, W. Va., May 28, 1903.
Some years ago while at work, I fell over a truck and severely injured both of my shins. My blood became poisoned as a result, and the doctor told me I would have running sores for life, and that if they were healed up the result would be fatal. Under this discouraging report I left off their treatment and resorted to the use of S. S. S. Its effects were prompt and gratifying. It took only a short while for the medicine to entirely cure up the sores, and I am not dead as the doctors intimated, nor have the sores ever broke out again. Some 15 years have elapsed since what I have described occurred. Having been so signally benefited by its use I can heartily recommend it as the one great blood purifier.

Chronic sores start often from a pimple, scratch, bruise or boil, and while salves, washes and powders are beneficial, the unhealthy matter in the blood must be driven out or the sore will continue to eat and spread. S. S. S. reaches these old sores through the blood, removes all impurities and poisons, builds up the entire system and strengthens the circulation. S. S. S. is a blood purifier and tonic combined. Contains no mineral whatever but is guaranteed purely vegetable. If you have an old sore write us and our physicians will advise without charge. Book on diseases of the blood free.

BRIGHT'S DISEASE

Many people who are neglecting symptoms of kidney trouble, hoping "it will wear away," are drifting towards Bright's Disease, which is kidney trouble in one of its worst forms.

FOLEY'S KIDNEY CURE

stops irregularities, strengthens the urinary organs and builds up the worn-out tissues of the kidneys so they will perform their functions properly. Healthy kidneys strain out the impurities from the blood as it passes through them. Diseased kidneys do not, and the poisonous waste matter is carried by the circulation to every part of the body, causing dizziness, backache, stomach trouble, sluggish liver, irregular heart action, etc.

If you have any signs of Kidney or Bladder trouble commence taking FOLEY'S KIDNEY CURE at once, as it will cure a slight disorder in a few days and prevent a fatal malady. It is pleasant to take and benefits the whole system.

How to Find Out.

You can easily determine if your kidneys are out of order by setting aside for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased, and FOLEY'S KIDNEY CURE should be taken at once.

G. B. Burhans Testifies After Four Years.

G. B. Burhans of Corliss Center, N. Y., writes: "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick-dust sediment and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed, and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble."

Don't Neglect Yourself.

1465 Second Street,
LOUISVILLE, KY., April 14, 1898.

I have been weak and sickly for the past four years, caused by irregularity and carelessness regarding the laws of health, but about five months ago my condition became very serious. I had severe backache and suffered a constant dull pain in my head. I spent weary, painful days, and miserable, restless nights. The doctor told me that I must have patience.

His medicine did not, however, give me even temporary relief and as I had been told of the curative qualities of Wine of Cardui I decided to try it.

I found that it relieved me of pain. As my general health improved my other troubles were gradually diminished and after five weeks' use of the Wine of Cardui I was once more a well and happy woman.

WINE OF CARDUI

Wine of Cardui regulates the menstrual flow, banishes headaches, backaches and bearing-down pains. Severe headaches, bearing-down pains, indigestion, loss of appetite and nervousness are symptoms of female weakness and should be given prompt attention. If you are troubled with menstrual irregularities do not let them run on. They will certainly grow into dangerous and chronic troubles. Get a bottle of Wine of Cardui and begin treatment at once.

All druggists sell \$1.00 bottles of Wine of Cardui.
